N01 / NEW COLLECTION

Tideborne

Let what is finished find its way out.

YOUR DIRECTION

RELEASE

Space for what comes after letting go.

[View product online](#)

Pale aquamarine and clear quartz meet deeper notes of lapis along a branch-shaped silver arc. Tideborne holds the image of a shore after the water has passed. Wear it when a conversation or decision is over, yet your thoughts keep returning to it. Find one blue bead beneath your fingers and take an easy breath. Give what is finished a place in yesterday, and leave a little room for today.

MATERIALS

925 sterling silver branch-shaped curved tube; lapis lazuli, aquamarine and clear quartz.

Request this style / N01

Full specification and fit confirmed with sample.

N02 / NEW COLLECTION

Dew Garden

Let care reach you, too.

YOUR DIRECTION

OPEN

Connection with room to remain yourself.

[View product online](#)

White pearls rest among green beads, with a gold-toned chain bringing warmth to the composition. Dew Garden takes its name from a garden receiving the morning. It is for the person who notices what everyone else needs and quietly puts their own needs last. Let this piece hold a different intention: to accept a kindness without explaining it away, and to say "thank you" when care finds you.

MATERIALS

Pearls, blue-water jadeite and a gold-toned metal chain.

Request this style / N02

Full specification and fit confirmed with sample.

N03 / NEW COLLECTION

Spring Current

Make an opening for something new.

YOUR DIRECTION

CALL IN

An opening for the next chapter.

[View product online](#)

Rose quartz, red and green agate, and gray moonstone bring small notes of color to flowing silver arcs. Spring Current carries the feeling of a familiar day beginning to change. Wear it when your first answer has become “maybe another time.” A different route, a class, an invitation accepted: give one new experience a way in. You can discover what this chapter holds as you take part in it.

MATERIALS

925 sterling silver curved tubes; Madagascar rose quartz, red agate, green agate, gray moonstone and shell-based bead spacers.

Request this style / N03

Full specification and fit confirmed with sample.

N04 / NEW COLLECTION

Full Spectrum

Every shade of you belongs.

YOUR DIRECTION

OPEN

Connection with room to remain yourself.

[View product online](#)

Violet, blue, green, pale yellow, and warm red gather beside a silver-toned chain. Each larger bead keeps its own outline, giving Full Spectrum its unmistakable character. It is for the parts of you that rarely get an introduction: the playful side of the dependable one, the bold wish inside a quiet life. Let this piece hold room for all of them. You do not have to explain yourself in a single color.

MATERIALS

Metal chain; clear quartz, lapis lazuli, strawberry quartz, black-and-gold included quartz, lemon-yellow quartz, green strawberry quartz, kyanite and amethyst. Included-quartz names follow the supplied material description.

[Request this style / N04](#)

Full specification and fit confirmed with sample.

N05 / NEW COLLECTION

Inner Atlas

Carry the ground you have earned.

YOUR DIRECTION

GROUND

Clarity, stability and a place to begin.

[View product online](#)

A textured silver arc brings together deep blue, warm yellow, a slender pearl, and the contrasting surfaces of wood and stone. Inner Atlas gathers these forms like markers from places you have been. Some knowledge only comes from living: what matters to you, what you can offer, what you would choose differently now. At the next crossroads, let a familiar contour beneath your fingers remind you of what you already know.

MATERIALS

925 sterling silver curved tubes; dream tiger's eye, Brazilian citrine, tubular pearl beads, Xinshan jade, clear quartz, blue-patterned agate, Yingge-green Qinan agarwood and lapis lazuli. Wood and jade names follow the supplied trade descriptions.

Request this style / N05

Full specification and fit confirmed with sample.

N06 / NEW COLLECTION

Petal Hour

Let yourself open in your own time.

YOUR DIRECTION

OPEN

Connection with room to remain yourself.

[View product online](#)

Blush, milky light and a warm note between them. Petal Hour accompanies a gentler kind of openness: saying how you feel, receiving a kindness, or choosing care without having to earn it. Let the piece hold one sentence you want to remember about yourself.

MATERIALS

10 mm focal beads: rose quartz, red agate, white agate and Xinshan jade. 6 mm accent beads: peach and violet Jin Si Yu varieties, and sunstone. Jade names follow the supplied trade descriptions.

Request this style / N06

Full specification and fit confirmed with sample.

N07 / NEW COLLECTION

Mistline

Leave a little room around the thought.

YOUR DIRECTION

RELEASE

Space for what comes after
letting go.

[View product online](#)

A soft change of color, with one clear point to return to. Mistline accompanies the moment you loosen your grip on a thought and notice what is still here. Begin with the focal bead, give the thought a name, and choose what deserves your attention next.

MATERIALS

10 mm clear quartz focal beads; 6 mm blue-water jadeite and Tianshan Cui accent beads. Tianshan Cui is the supplied trade name.

Request this style / N07

Full specification and fit confirmed with sample.

N08 / NEW COLLECTION

Rosewater

Let closeness arrive at your own pace.

YOUR DIRECTION

OPEN

Connection with room to remain yourself.

[View product online](#)

Soft pink meets a cool green rhythm. Rosewater holds an intention of connection without urgency: an honest conversation, a small kindness, the willingness to be seen. Wear it when you want to stay open while listening to your own pace.

MATERIALS

10 mm rose quartz and white agate focal beads; 6 mm blue-water jadeite accents; shell-based bead spacers.

Request this style / N08

Full specification and fit confirmed with sample.

N09 / NEW COLLECTION

Golden Thread

Let your work be seen. Let good things reach you.

YOUR DIRECTION

CALL IN

An opening for the next chapter.

[View product online](#)

Tiny yellow facets gather into a thread of light beside clear quartz and silver-toned details. Golden Thread carries an intention of abundance with a personal question at its center: are you willing to let your contribution be seen? Wear it when you are ready to share the work, name what you hope for, or receive appreciation without brushing it aside. Give a good possibility something of yours to meet.

MATERIALS

Clear quartz, stainless steel beads and rectangular tubes, yellow tower quartz and faceted yellow Australian opal. Stone names follow the supplied material description.

Request this style / N09

Full specification and fit confirmed with sample.

N10 / NEW COLLECTION

Warm Current

Give your affection a way to arrive.

YOUR DIRECTION

OPEN

Connection with room to remain yourself.

[View product online](#)

A pink square bead sits among clear forms, while fine peach and red beads gather along the other side. Warm Current gives affection a visible rhythm: a pause, then a little movement toward someone. Wear it for the words you keep meaning to say. A specific thank-you or a simple "I thought of you today" can give care a form another person can receive. Let the feeling become a message.

MATERIALS

Stainless steel beads, clear quartz, red agate, strawberry quartz and faceted pink-red agate.

Request this style / N10

Full specification and fit confirmed with sample.

N11 / NEW COLLECTION

Prism Fire

Follow what lights your interest.

YOUR DIRECTION

CALL IN

An opening for the next chapter.

[View product online](#)

Light moves through glass beads in gold, orange, green, and deeper tones. Their patterned interiors catch it differently as your wrist turns, giving Prism Fire a lively, shifting presence. Wear it when you want to follow a spark of interest again: a song, a color, a place you have never been. Make a little time for the thing that catches your attention, and see where enjoyment takes you.

MATERIALS

Round glass beads.

Request this style / N11

Full specification and fit confirmed with sample.

N12 / NEW COLLECTION

Evenfall

Let the day end here.

YOUR DIRECTION

REST

Permission to close the day.

[View product online](#)

Tea-brown quartz, small white accents, and a branch-shaped silver arc take on the quiet colors of evening. Evenfall is a marker for the moment your day can end. When unfinished work follows you home, find the silver branch beneath your fingers. Leave tomorrow a note. Let tonight have room for dinner, a page of a book, or someone beside you. There can be time to rest before everything is done.

MATERIALS

Smoky quartz, irregular silver accents, shell-based beads, polished stainless steel elements and a 925 sterling silver branch-shaped curved tube.

[Request this style / N12](#)

Full specification and fit confirmed with sample.

N13 / NEW COLLECTION

After Rain

Leave room for the chapter you have not named.

YOUR DIRECTION

RELEASE

Space for what comes after letting go.

[View product online](#)

Clear oval beads give a small gathering of color room to stand out. After Rain holds the image of a street becoming visible again after a shower. It is for the space after an ending, when you carry memories but have not decided what comes next. Keep what matters from the chapter behind you. Leave some room around it. The next part of your life can take shape without a title yet.

MATERIALS

Clear quartz, gray moonstone, red agate, yellow tower quartz, amber, green quartz, blue-water jadeite, lapis lazuli and purple jade. Stone names follow the supplied trade descriptions.

Request this style / N13

Full specification and fit confirmed with sample.

N14 / NEW COLLECTION

Own Ground

My warmth has a boundary.

YOUR DIRECTION

PROTECT

A reminder of your own boundaries.

[View product online](#)

Black and white beads form two clear rhythms, joined by silver-toned details and a rectangular signature bar. Own Ground gives consideration a firm outline. You can listen closely to what someone needs and still decide what you are able to offer. Before answering a request, find the bar beneath your fingers and take one comfortable breath. Let your answer hold both kindness and a limit you can keep.

MATERIALS

Flame stone, black agate, stainless steel beads and rectangular tubes. Flame stone is the supplied trade name.

Request this style / N14

Full specification and fit confirmed with sample.

N15 / NEW COLLECTION

Sunward

Take a step toward what you want.

YOUR DIRECTION

CALL IN

An opening for the next chapter.

[View product online](#)

Deep blue lapis, red Nanhong agate, and a generous yellow fluorite form meet on a slender silver bracelet. Open space makes each color distinct. Sunward is for a wish that already has a place in your mind and is ready for a place in your day. Share the work, begin the attempt, enter the unfamiliar room. Choose one direction that matters to you and give it a first step.

MATERIALS

Sterling silver bangle; lapis lazuli, Nanhong red agate and yellow fluorite.

Request this style / N15

Full specification and fit confirmed with sample.

N16 / NEW COLLECTION

Green Promise

Give what matters a chance to grow.

YOUR DIRECTION

GROUND

Clarity, stability and a place to begin.

[View product online](#)

Fine green beads gather beside clear forms and a warm yellow accent, like new leaves along a branch. Green Promise is for something you still want to tend: a skill, a relationship, a piece of work taking its time. Let the green at your wrist bring that intention back into view. Choose a small act of care you can repeat. One modest return is still a way of continuing.

MATERIALS

Clear quartz, stainless steel beads and rectangular tubes, yellow tower quartz and green agate.

Request this style / N16

Full specification and fit confirmed with sample.

N17 / NEW COLLECTION

Clear Poise

Find your poise before you respond.

YOUR DIRECTION

GROUND

Clarity, stability and a place to begin.

[View product online](#)

Pale aquamarine opens small windows of light between textured silver arcs and darker faceted beads. Clear Poise brings these contrasts into a composed, open circle. Carry it into the moments when a crowded room or an urgent message tries to set your pace. Rest a fingertip on a silver arc. Hear the question fully. Ask for the detail you need, take time to consider, and give an answer you can stand behind. There is strength in a response that keeps your own measure.

MATERIALS

Dream tiger's eye, aquamarine and 925 sterling silver tubes.

Request this style / N17

Full specification and fit confirmed with sample.

N18 / NEW COLLECTION

Quiet Shore

You are allowed a moment ashore.

YOUR DIRECTION

REST

Permission to close the day.

[View product online](#)

Cool gray and pale blue move toward sandy tones, with larger light and ochre beads offering places for the eye to rest. Quiet Shore carries the feeling of arriving on land after movement. Wear it between one demand and the next, when even a pause has begun to feel like another task. Look out of the window. Finish your water. Let your shoulders find a comfortable position. Make a small space in the day where arriving is enough, before you choose what comes next.

MATERIALS

10 mm picture stone and white cat's-eye focal beads; 6 mm calcite accent beads. Cat's-eye is the supplied material description.

Request this style / N18

Full specification and fit confirmed with sample.

N19 / NEW COLLECTION

Wayfinder

Make room for a new direction.

YOUR DIRECTION

CALL IN

An opening for the next chapter.

[View product online](#)

A pale strand carries blue waypoints and darker pauses, like marks on a map waiting to be connected. Wayfinder is for the space between wanting a change and knowing exactly what it will be. Notice the possibility that holds your attention: a place, a practice, a different kind of work. Ask a question. Make a first attempt. Give your curiosity something real to meet. A direction can become clearer through the steps you take toward it.

MATERIALS

Tiger's eye, lapis lazuli and Ruyi bodhi seed focal beads; 8 mm flame-stone accents and turquoise spacers. Flame stone is the supplied trade name.

Request this style / N19

Full specification and fit confirmed with sample.

N20 / NEW COLLECTION

Stillwood

Carry what endures through change.

YOUR DIRECTION

GROUND

Clarity, stability and a place to begin.

[View product online](#)

Wood grain, stone patterns, and shifting browns gather around larger focal forms. Stillwood follows the design's passage from wood toward stone, with petrified wood appearing alongside wood and other stones. It carries a question for times of change: what do you want to bring with you? A way of working, a relationship, a promise you intend to keep. Choose something that still feels like yours and give it a place in the new routine. What endures can take a different form.

MATERIALS

10 mm wood-grain stone, Picasso stone, dark golden-thread wood and Barbie sandalwood focal beads; 6 mm petrified wood and golden-thread wood accents. Wood names follow the supplied trade descriptions.

Request this style / N20

Full specification and fit confirmed with sample.

N22 / NEW COLLECTION

Duskguard

Keep your attention for what you choose.

YOUR DIRECTION

PROTECT

A reminder of your own boundaries.

[View product online](#)

Smoky transparency, dark reflections, and the grain of wood meet in a substantial rhythm, with golden-brown light held between them. Duskguard carries the image of evening drawing attention inward. Wear it when every message arrives with a claim on your time. Before responding, name what you intended to protect today. Silence one set of alerts. Keep a stretch of time for the work, person, or quiet you chose. Give your attention a destination of your own.

MATERIALS

10 mm hawk's eye, camphor wood, dark golden nanmu and silver obsidian focal beads; 8 mm golden tiger's eye, smoky quartz, gray agate and golden-thread wood accents.

Request this style / N22

Full specification and fit confirmed with sample.

N23 / NEW COLLECTION

Ochre Sun

Bring your warmth back into motion.

YOUR DIRECTION

CALL IN

An opening for the next chapter.

[View product online](#)

Red, ochre, and deep brown move around the wrist, with larger agate beads drawing the eye toward warmth. Ochre Sun carries the feeling of sunlight meeting the earth: vivid and ready to be part of a day. Wear it for a plan you once cared about and have quietly set aside. Find the part that still interests you. Give it a manageable stretch of work. Let the wish return through something your hands can do today.

MATERIALS

10 mm red agate focal beads; 6 mm Mookaite jasper accents.

Request this style / N23

Full specification and fit confirmed with sample.

N24 / NEW COLLECTION

Grovekeeper

Leave room for yourself within connection.

YOUR DIRECTION

PROTECT

A reminder of your own boundaries.

[View product online](#)

Deep greens gather around pale, golden-brown, and angular forms, like a grove with space between its trees. Grovekeeper holds an intention for relationships that can last. When your first instinct is to agree and rearrange your own life later, pause to consider what you can truly offer. Name the time you have, the help you can give, and the space you need to keep. Clear limits give care a form you can continue to honor.

MATERIALS

10 mm Picasso stone, golden nanmu, bird's-eye stone and white bodhi seed focal beads; 6 mm green sandalwood accents. Bird's-eye stone is the supplied trade name.

Request this style / N24

Full specification and fit confirmed with sample.

N25 / NEW COLLECTION

Honeyglow

Let a little pleasure find a place in your day.

YOUR DIRECTION

CALL IN

An opening for the next chapter.

[View product online](#)

Small colored facets alternate with creamy spacers, while yellow and pink rounds bring warmer pauses along the strand. Honeyglow carries an everyday kind of abundance: color, pleasure, and a place kept for yourself. Wear it when the good part of life keeps being postponed until everything is finished. Make time for a breakfast you enjoy, flowers that catch your eye, or a song heard all the way through. Give something lovely a place in today, and be there to receive it.

MATERIALS

8 mm Madagascar rose quartz; 6 mm sunstone and golden tiger's eye; 4 mm Alashan stone and shell-based beads.

Request this style / N25

Full specification and fit confirmed with sample.

N26 / NEW COLLECTION

Hearthwood

Come back to a warmth you know.

YOUR DIRECTION

REST

Permission to close the day.

[View product online](#)

Small brown beads circle larger forms with varied grain and texture. Hearthwood carries the warmth of a familiar tabletop or the chair you return to without thinking. After a day spent responding to everything around you, choose one ordinary gesture that feels like coming home. Change out of your outdoor clothes. Turn on a favorite lamp. Sit in the corner you have made your own. A place of belonging can grow through the small ways you care for yourself there.

MATERIALS

10 mm Ruyi bodhi seed, dark golden-thread wood, picture stone and camphor wood focal beads; 6 mm Kuk bodhi seed accents.

Request this style / N26

Full specification and fit confirmed with sample.

N27 / NEW COLLECTION

Tidal Voice

Give your inner tide a voice.

YOUR DIRECTION

OPEN

Connection with room to remain yourself.

[View product online](#)

Pearls and pale shell beads meet blue, violet, gray, and clear stones in varied outlines. Tidal Voice gathers them like a sentence taking shape across water, with pauses that belong to its rhythm. It is for the moments when you can hear everyone else clearly, yet answer for yourself with "anything is fine." Find a feeling you can name, then a need you can express. Let your words arrive at your own pace, and give the people close to you a chance to meet what is true for you.

MATERIALS

Pearls, aquamarine, kyanite, gray moonstone, amethyst, clear quartz and shell-based beads, with metal links.

Request this style / N27

Full specification and fit confirmed with sample.

N28 / NEW COLLECTION

Starhaven

Gather yourself somewhere gentle.

YOUR DIRECTION

REST

Permission to close the day.

[View product online](#)

Creamy shell beads, soft gray moonstone, and speckled bodhi seeds run in three fine strands. Their parallel lines gather at the wrist like small lights finding a place for the night. Starhaven is for the hour when your tasks have paused but your attention is still scattered among conversations and roles. Notice how you feel, what you need, and what time you can keep for yourself. Set the messages aside. Find a comfortable place to sit. Let this moment belong to the person who has been there through it all: you.

MATERIALS

Shell-based beads, gray moonstone and star-and-moon bodhi seed beads.

Request this style / N28

Full specification and fit confirmed with sample.
